University or Employer: _____

Educational standing (e.g., Senior/Grad./PhD) _____

Degree subject(s): _____

Are you a certified SCUBA diver? **Yes** **No** Level: _____
Some courses require SCUBA certification. Please check the course listings.

Please arrange/send the following support materials:
***** without these; your application is not complete*****

1. Two letters of recommendation (we prefer to receive these as e-mail to [education\(at\)bbsr.edu](mailto:education(at)bbsr.edu))
2. Current transcripts (photocopies of originals are acceptable)
3. Personal Resume
4. A brief (not more than one page) summary/statement of how the course will advance your education or research goals.

These should reach BIOS before March 14, 2007. Applications received after this date will be considered on a space available basis.

If applying for a scholarship, please provide a statement attesting to your needs and qualifications for a scholarship and outlining your contribution to the costs of the course. Examples of relevant details include your financial needs, your level in education, other awards made to you. Other details that you deem important will be considered. *Transportation costs must be borne by the course attendee.*

Scholarship Requested: US\$ _____

Student Contribution: US\$ _____

Total Course Cost: US\$ _____

Please note that visiting summer course students are not included within Bermuda Institute of Ocean Sciences medical and health insurance coverage. If you are successful in your application, you will need to arrange for personal medical (accident/illness) insurance coverage. Dive equipment is not supplied by BIOS.
