## Application Check List

Please review the following check list and ensure that all supporting materials accompany your application (send to [education@bios.edu](mailto:education@bios.edu)) or have been requested to be sent directly (references). *Without receiving **all** of the below, by the March 15<sup>th</sup> deadline your application is not complete and may not be considered.*

1. Current transcripts (photocopies of originals are acceptable, as are web downloads)
2. Resume or Curriculum Vitae
3. A brief summary/statement of how this internship will advance your education, research, or career goals.(To be completed on following page)
4. Two letters of recommendation must be sent to us directly **by your referees**. Please advise your referees to send to letters to [education@bios.edu](mailto:education@bios.edu).

All complete applications received by March 15<sup>th</sup> will be reviewed in the first round of admissions. Later applications will be considered on a space-available basis. When your application is complete, please send all application materials attached to one email and insure that your letters of recommendation will be received before the application deadline.

**Insurance Disclaimer:** Please note that visiting interns are not included within Bermuda Institute of Ocean Sciences medical and health insurance coverage. If you are successful in your application, you will need to arrange for personal medical (accident/illness) insurance coverage.

## **CABIOS Internship Summary Statement**

Please provide a short statement attesting how this internship would be of benefit to your educational and/or research goals. Please ensure your statement fits in the space provided below; do not attach as a supplemental document.
