Internship Summary Statement

Please provide a short statement explaining how this internship would be of benefit to your educational and/or research goals. Please ensure your statement fits in the space provided below; do not attach as a supplemental document.

Application Check List

Please review the following check list and ensure that all supporting materials accompany your application (send to education@bios.edu) or have been requested to be sent directly (references).

*Without receiving **all** of the below, by the May 1 deadline, your application will not be complete and may not be considered.*

1. Current transcripts (university academic record): photocopies of originals are acceptable, as are web downloads.
2. Resume or *Curriculum Vitae*
3. A brief summary/statement of how this internship will advance your education, research, or career goals.(To be completed on preceding page)
4. Two letters of recommendation must be sent to us directly **by your referees**. Please advise your referees to send to letters to education@bios.edu.

All complete applications received by May 1 will be reviewed in the first round of admissions. When your application is complete, please send all application materials attached to one email and insure that your letters of recommendation will be received before the application deadline.

Insurance Disclaimer: Please note that visiting interns are not included within Bermuda Institute of Ocean Sciences medical and health insurance coverage. If you are successful in your application, you will need to arrange for personal medical (accident/illness) insurance coverage.
